

The Serve-A-Thon is coming Oct 8 - 12!

The fourth annual Serve-A-thon will be held during the week of October 8 - 12. You will have lots of fun with your friends and will help people who need us.

Here is all you do:

Fill out the mailers that are with your packet to send to friends and family. Think of people who know you who might sponsor you as you perform your mission project. Bring in the completed mailers to school where they will be counted and mailed out. Make sure all your mailers have a complete address and a stamp. We do the rest!

Earn fun rewards!

We want to help you earn fun rewards. You can earn rewards by bringing in mailers on turn-in days and by getting donations. Some of the prizes you can earn are jean days, special lunches, and movie tickets.

What will we do and where will we go?

Each age level at Emmanuel Christian School will go somewhere different and perform a different Community Service that is appropriate to the age and ability level for that group.

- Preschool and Kindergarten will stick close to home and will work on the school property planting flowers.
- Lower elementary travel to a local Senior Center and minister to the residents through song and gifts.
- Upper elementary and middle school will clean up a local park.-
- High school will be spread out throughout the community at a variety of service projects such as Habitat for Humanity, making quilts for injured soldiers, stream and parks clean-up and working at various community thrift stores..
