***"I need your support!
You can help me improve our community while touching the life of a child around the world. Will you help me?"***

In just a few days, I am going to join 160 of my class-mates and ECS staff to support my school through community service projects that help children here in Northern Virginia and around the world.

Through Serve-A-Thon the kids in my school are going to clean, rake, dig, plant, carry, work and sweat to raise needed funds for our school. 10% of what we raise will be used to support children in need at a school on the mission field.

My goal is to raise \$500 through personal sponsors like you. Would you be willing to sponsor me? Any amount will be appreciated. Every dollar you give is a true investment in my life and in the life of our school. 10% of what I raise will go to help other children around the world.

Thank you for your support and generosity.
