

Emmanuel Christian School- High School

For I know the plans I have for you, declares the Lord, plans for a hope and a future. Jer. 29:11

Mission

Emmanuel partners with parents to prepare students for life as Christian servant-leaders who choose character before career, wisdom beyond scholarship, service above self, and a lifestyle of participation over apathy so that they can impact the world for Christ for eternity.

Spiritual Life

As a covenant school, ECS partners with parents in preparing students for life outside the classroom. Weekly chapels, spiritual emphasis week, annual student retreat, and weekly Bible studies help make Christ personal to each student. Born again teachers model Christian values and lifestyle. Daily Bible classes, in conjunction with Christian curriculum in all classes, give a firm foundation with a Biblical worldview to the students at ECS.

Academics

ECS prepares students for college and for life with a rigorous course of study presented from a Biblical worldview. Students learn to be critical thinkers and evaluate all material from the perspective that "all knowledge comes from God" to prepare them for life outside the classroom.

AP classes in Calculus, US History, Chemistry, Biology and English Lit prepare the students well. Honors classes and dual enrollment also challenge students to achieve academically.

Computer classes, Fine Arts, Drama, speech, and foreign languages give students a diverse background that prepares them well for the future.

Testing

Over the past 30 years, ECS graduates have proven to be successful in college and careers. In 2009 the senior class was awarded over \$890,000 in scholarships and had a National Merit Scholarship Finalist. The ECS average college SAT score was 1980 compared to 1500 for the National average.
